Sir,

This is quite good I think. I'll run a comb over it and send it back later today NY time, along with whatever I'm allowed to reveal about the party. Below is what the editors are saying officially, but I'll try to get some sense of who's coming — you would certainly be an attraction.

Again thanks,
Karl

This intimate black tie dinner of 300 people—including many current and former TIME 100 members—brings together the world's leading figures in politics, technology, science, philanthropy, media, business and entertainment and attracts worldwide media coverage.

Last year's gala featured performances by Carrie Underwood, Pharrell Williams and Seth Meyers. Previous keynote speakers include Vice President Joe Biden, First Lady Michelle Obama, Secretary of State Hillary Clinton, and President Bill Clinton. Past performers include Prince, Rihanna, Sting, A.R. Rahman, Stephen Colbert and Taylor Swift. Previous guests have included Justin Timberlake, Oprah Winfrey, Carlos Slim, Aamir Khan, Elizabeth Warren, Steven Spielberg, Daniel Day-Lewis, Tilda Swinton, Marissa Mayer, Michael Kors, Alfonso Cuarón, Shonda Rhimes, Chris Christie, Kirsten Gillibrand and Lena Dunham, as well as activists and thinkers who are making a difference in the world, whether fighting for human rights or seeking a cure for cancer.

Hi Karl
A 1st version. I'm not good in concise English.
My recommendation for first cuts are in (...).
But it needs deeper editing. I've seen many writers come very close to 200 words.
Try not to kill the balance of pro/con insinuations.
In any case send it back to me for final approval before sending it upstairs.
Btw, who's going to participate in the Gala evening? Is it worth coming to NY two days earlier than my plans? Will you be there?
Best
EB
